## Table of classes

### Bitumen emulsions in road construction

Item no.	Factory descriptor	Description (TL BE-StB 15)
----------	--------------------	----------------------------

#### Bitumen emulsions for manufacturing the tack coat

132910	Eshalite MSNAR	C60BP4-S
--------	----------------	----------

131910	Eshafix Haftkleber	C40BF5-S
--------	--------------------	----------

131911	Eshafix Haftkleber L	C40B5-S
--------	----------------------	---------

131410	Eshalite U60K-S	C60B4-S
--------	-----------------	---------

#### Bitumen emulsion for manufacturing remixed material based on bitumen emulsion

133010	Eshalite REC	C60B10-BEM
--------	--------------	------------

#### Bitumen emulsion for treating base courses with hydraulically bound mixtures

131412	Eshalite U60K-N	C60B4-N
--------	-----------------	---------
